Non-Stick White Thermoplastics

U-frame masks

IOS non-stick thermoplastics combine low shrinkage, frame rigidity and straightforward handling. Compare small- and wide-perforation U-frame masks, with reinforced options.

F003W-ZU / F005W-ZU

2.4mm / 3.0mm U-frame Mask, small perforation, white

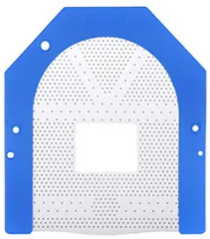

F005B-ZU

3.0mm U-frame Mask, wide perforation, white

RF-A100-3004B

3.0mm U-frame Mask, reinforced, closed face, white

RF-A100-3012B

3.0mm U-frame Mask, reinforced, open face, white

Non-Stick White Thermoplastics

S-type masks / head-only and head & neck

RF-C100-2002B / RF-C100-3002B

2.4mm / 3.0mm s-type mask, non-reinforced, head-only

RF-C100-2004B / RF-C100-3004B

2.4mm / 3.0mm s-type mask, reinforced, head-only

RF-C100-3012B

3.0mm s-type mask, reinforced, head-only, open face

RF-C100-3016B

3.0mm s-type mask, reinforced, head-only, claustrophobic

RF-F103-2002B / RF-F103-3002B

2.4mm / 3.0mm s-type mask, non-reinforced, head & neck

RF-F103-2004B / RF-F103-3006B

2.4mm / 3.0mm s-type mask, reinforced, head & neck

Non-Stick White Thermoplastics

S-type masks / head & neck configurations

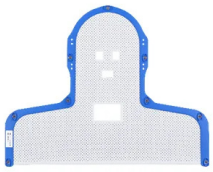

RF-F103-3004B

3.0mm s-type mask, reinforced, head & neck, claustrophobic

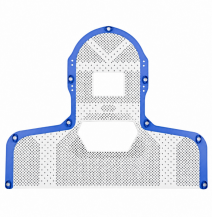

RF-F103-3016B

3.0mm s-type mask, non-reinforced, head & neck, claustrophobic

RF-F103-3020B

3.0mm s-type mask, non-reinforced, head & neck, claustrophobic, open neck

RF-F103-3008B

3.0mm s-type mask, reinforced, head & neck, open face, open neck

RF-F103-3018B

3.0mm s-type mask, reinforced, head & neck, open face, closed neck

Blue Serenity Series Thermoplastics

U-frame and S-type masks

The Serenity Series combines a soft-pull thermoplastic material with the non-stick benefits of IOS white thermoplastics. Explore the available head-only and head & neck configurations.

RF-A100B-3001W

3.0mm U-frame Mask, standard perforation, blue

RF-C103B-2001W / RF-C103B-3001W

2.4mm / 3.0mm S-type Head Mask, standard perforation, blue

RF-C103B-2002W / RF-C103B-3002W

2.4mm / 3.0mm S-type Head Mask, reinforced, blue

RF-C103B-3003W

3.0mm S-type Head Mask, reinforced, claustrophobic, blue

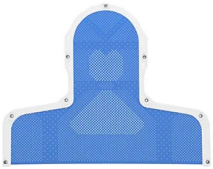

Blue Serenity Series Thermoplastics

S-type masks / head & neck configurations

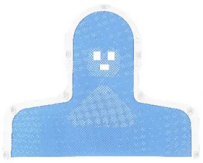

RF-F103B-2001W / RF-F103B-3001W

2.4mm / 3.0mm s-type mask, non-reinforced, head & neck, blue

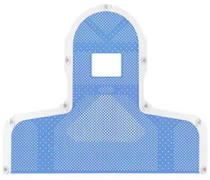

RF-F103B-2002W / RF-F103B-3002W

2.4mm / 3.0mm s-type mask, reinforced, head & neck, blue

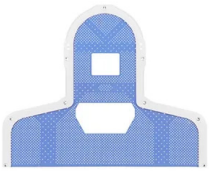

RF-F103B-3003W

3.0mm s-type mask, reinforced, claustrophobic, head & neck, blue

RF-F103B-3018W

3.0mm s-type mask, reinforced, claustrophobic, head & neck, blue, open face, closed neck

RF-F103B-3008W

3.0mm s-type mask, reinforced, claustrophobic, head & neck, blue, open face, open neck

Orfit-Style Thermoplastics

Blue Serenity Series / with nose hole

RF-B062B-2004W / RF-B062B-3004W

2.4mm / 3.0mm Orfit-style 3-point Head Mask, standard perforation, with Nose Hole, blue

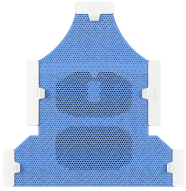

RF-B062B-2006W

2.4mm Orfit-style 3-point Head Mask, reinforced, with Nose Hole, blue

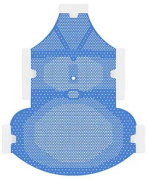

RF-E222B-2004W / RF-E222B-3004W

2.4mm / 3.0mm Orfit-style 5-point Head & Neck Mask, standard perforation, with Nose Hole, blue

RF-E222B-2006W

2.4mm Orfit-style 5-point Head & Neck Mask, reinforced, with Nose Hole, blue

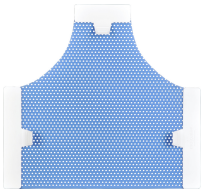

RF-E222B-2584W

2.4mm Orfit-style 5-point head & neck mask, reinforced, with nose hole, rounded shoulders, extended chest area, blue

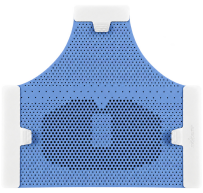

Orfit-Style Thermoplastics

Blue Serenity Series / without nose hole

RF-B061B-2004W / RF-B061B-3004W

2.4mm / 3.0mm Orfit-style 3-point Head Mask, non-reinforced, without Nose Hole, blue

RF-B061B-2006W

2.4mm Orfit-style 3-point Head Mask, reinforced, without Nose Hole, blue

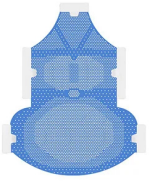

RF-E221B-2004W / RF-E221B-3004W

2.4mm / 3.0mm Orfit-style 5-point Head & Neck Mask, non-reinforced, without Nose Hole, blue

RF-E221B-2006W

2.4mm Orfit-style 5-point Head & Neck Mask, reinforced, without Nose Hole, blue

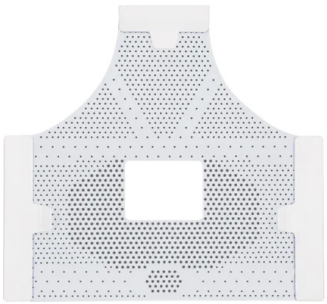

RF-E221B-2584W

2.4mm Orfit-style 5-point head & neck mask, reinforced, without nose hole, rounded shoulders, extended chest area, blue (Qty 10)

Orfit-Style Thermoplastics

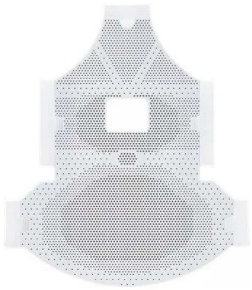

Open Face

Non-Stick White / Open Face

RF-B062-3009W

3.0mm Orfit-style 3-point Head Mask, reinforced, open face, white

RF-E222-3589W

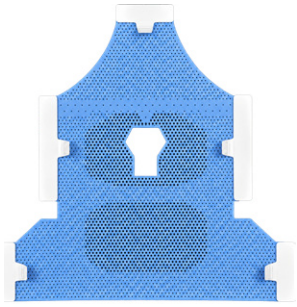

3.0mm Orfit-style 5-point Head & Neck Mask, reinforced, rounded shoulders, extended chest area, open face, white

Non-Stick Blue Serenity Series / Open Face

RF-B062B-3008W

3.0mm Orfit-style 3-point Head Mask, reinforced, open face, blue

RF-E222B-3008W

3.0mm Orfit-style 5-point Head & Neck Mask, reinforced, open face, blue

MacroCast S-Type Thermoplastics

Standard perforation and reinforced

Compare head-only and head, neck & shoulder options across the MacroCast S-Type family.

364110 / TSS-HO

MacroCast S-Type Mask, standard perforation, head-only, 2.3mm, Qty 10

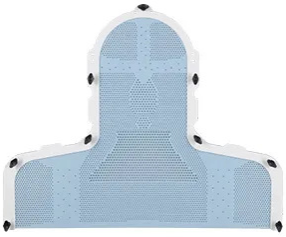

364130 / TSRP-HO

MacroCast S-Type Mask, reinforced, head-only, 2.3mm, Qty 10

364410 / TSS-HNS

MacroCast S-Type Mask, standard perforation, head, neck & shoulders, 2.3mm, Qty 10

364470 / TSRPNR-HNS

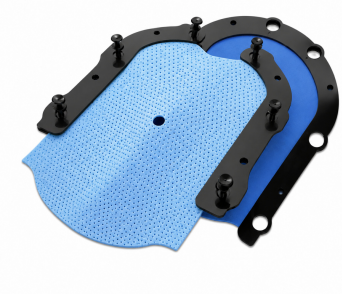

MacroCast S-Type Mask, reinforced, head, neck & shoulders, 2.3mm, Qty 10

*Not recommended for use with thermoplastic heating ovens.

Specialty Thermoplastics

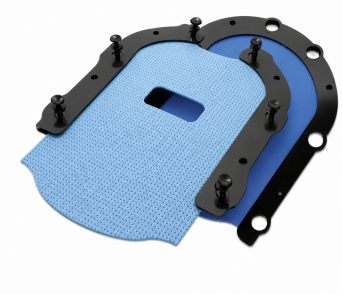

CQ Encompass® baseplate compatible masks* / HybridCast™ SRS

Targeted reinforcement, soft-pull material and a straightforward shimming system. All four configurations are supplied in boxes of five.

AGEN 1123-BL-NH

Closed face with extended neck and nose hole. Includes SecureBite and cap. Box of 5.

AGEN 1123-BL-SG

Open face with extended neck. Includes SecureBite and cap. Box of 5.

AGPI-Mask-005_2035

Open-face facial mask with extended neck. Includes SecureBite, cap, and 20 × 35 cm MoldCare cushion. Box of 5.

AGPI-Mask-005_2045

Open-face facial mask with extended neck. Includes SecureBite, cap, and 20 × 45 cm MoldCare cushion. Box of 5.

* These statements have not been endorsed by CQ Medical and are not intended to indicate that IOS HybridCast masks or MacroMedics® DSPS-Environ masks are validated for use with the Encompass baseplate. The marks CQ and Encompass are registered trademarks of CQ Medical.

Specialty Thermoplastics

CQ Encompass baseplate compatible masks / DSPS-Environ*

114750 / DSPS-FOSEVR

DSPS-Environ Set, closed face, 2.3mm anterior shell (set of 5)

114770 / DSPS-FEVRO

DSPS-Environ Set, open face, 2.3mm anterior shell (set of 5)

114780 / DSPS-FEVRONE

DSPS-Environ Set, open face with neck extension, 2.3mm anterior shell (set of 5)

Brainlab ExacTrac-Style Masks

F706B-DSG

Brainlab ExacTrac-Style Head Mask With Non-Stick Patient-Facing Sides, Set of 5

* These statements have not been endorsed by CQ Medical and are not intended to indicate that IOS HybridCast masks or MacroMedics® DSPS-Environ masks are validated for use with the Encompass baseplate. The marks CQ and Encompass are registered trademarks of CQ Medical.

DSPS / SSPS Thermoplastics

Head-only masks / 2.3 mm / set of 5

Facial and occipital mask configurations for the MacroMedics DSPS / SSPS immobilization systems.

115510 / SSPS-F & 114510 / DSPS-FOS

SSPS Head-only Mask / DSPS Head-only Mask Set (with occipital shell)

114560 / DSPS-FOSL

DSPS Head-only Mask Set, Long Hair

115810 / SSPS-FVR & 114410 / DSPS-FOSVR

SSPS / DSPS Head-only Mask, Open Face

114460 / DSPS-FOSVRL

DSPS Head-only Mask Set, Open Face, Long Hair

Prone positioning

114530 / DSPS-FOP

DSPS Mask Set, Prone Head-Only, Set of 5

DSPS / SSPS Thermoplastics

Head, neck & shoulder masks / 2.3 mm / set of 5

115720 / SSPS-FSS & 114320 / DSPS-FSOSS

SSPS / DSPS Head, Neck & Shoulder Mask

114420 / DSPS-FSOSSL

DSPS Head, Neck & Shoulder Mask Set, Long Hair

114360 / SSPS-FSVRS & 114370 / DSPS-FSOSVRS

SSPS / DSPS Head, Neck & Shoulder Mask, Open Face

114470 / DSPS-FSOSVRSL

DSPS Head, Neck & Shoulder Mask Set, Open Face, Long Hair

DSPS-Prominent® Thermoplastics

Head, neck & shoulder mask sets

Compare full head, neck & shoulder masks, head-only masks, combination sets and occipital masks. Open-face and long-hair configurations are available across the range.

113960 / DSPS-PROS

DSPS-Prominent Mask, set of 5

113980 / DSPS-PROSL

DSPS-Prominent Long Hair, set of 5

113970 / DSPS-PROSVR

DSPS-Prominent Open Face, set of 5

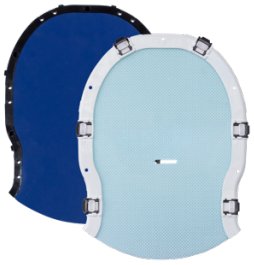

113950 / DSPS-PROSVRL

DSPS-Prominent Long Hair, Open Face, set of 5

DSPS-Prominent® Thermoplastics

Head-only mask sets

113910 / DSPS-PROSH

DSPS-Prominent Head Only, set of 5

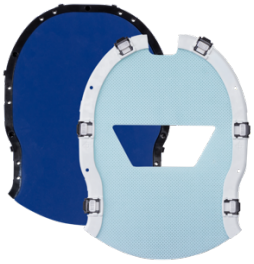

113920 / DSPS-PROSHL

DSPS-Prominent Head Only, Long Hair, set of 5

113940 / DSPS-PROSHVR

DSPS-Prominent Head Only, Open Face, set of 5

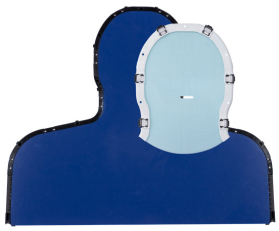

113890 / DSPS-PROSHVRL

DSPS-Prominent Head Only, Open Face, Long Hair, set of 5

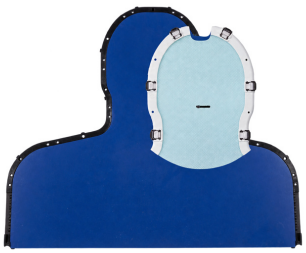

DSPS-Prominent® Thermoplastics

Combination mask sets / head, neck & shoulders

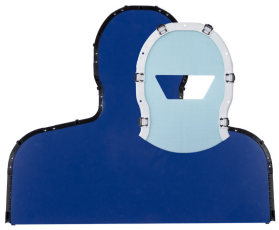

113770 / DSPS-PROSC

DSPS-Prominent Mask Combination Set Facial head and Occipital head and shoulder, set of 5

113790 / DSPS-PROSCL

DSPS-Prominent Mask Combination Set Facial head and Occipital head and shoulder, long hair, set of 5

113780 / DSPS-PROSCVR

DSPS-Prominent Mask Combination Set Facial head and Occipital head and shoulder, open face, set of 5

113760 / DSPS-PROSCVRL

DSPS-Prominent Mask Combination Set Facial head and Occipital head and shoulder for long hair, open face, set of 5

DSPS-Prominent® Thermoplastics

Occipital masks

Occipital mask options for head-only and head, neck & shoulder configurations.

113990 / DSPS-PROC

DSPS-Prominent Occipital, set of 5

113930 / DSPS-PROH

DSPS-Prominent Occipital Head Only, set of 5
